Agency response

Since the 2000 census, we have had a big increase in our population inside the city limits as well as the rural area around our area. We are 11 miles north of Ft. Leonard Wood and we are a high traffic corridor to the Lake of the Ozarks and a short cut to Jefferson City from I-44. Especially in regard to the Hispanic race, we have more of a chance to come into contact with this race in traffic stops.
